WOMEN ROADMAPS
Privacy Policy

Effective date: October 13, 2026 | womenroadmaps.com

1. Who We Are

This Privacy Policy describes how Dmitry Vadimovich Gusev, Individual Entrepreneur (Russian Federation) ("we") processes personal information in connection with womenroadmaps.com and the PCOS Roadmap. Our registered address is 165E Dmitrovskoye Shosse, Building 3, Apartment 89, Moscow, 127495, Russian Federation. Contact: doctor.dgusev@gmail.com.

2. Information We Collect

Depending on your interaction with the Website, we may process: (a) the email address entered at checkout, which is required to send the purchased PDF, and a name if supplied; (b) purchase and transaction information such as order identifier, amount, currency, payment status, and transaction reference; (c) technical information such as IP address, browser/device characteristics, and security logs; (d) delivery records, including whether the email containing the PDF was sent or bounced, and support correspondence; and (e) cookie and analytics information where enabled. Payment card details are handled by the payment processor and banking partners; we receive only limited payment-related records needed to confirm and support the order. We do not require medical records or sensitive health details to purchase the guide.

3. Why We Use Information

We use information to operate the Website; process and verify purchases; send the purchased PCOS Roadmap PDF to the checkout email address; troubleshoot bounced or missing messages and resend the file; provide customer support and refunds; maintain transaction records; prevent fraud; comply with legal obligations; and, only where lawful and with any required consent, send optional marketing messages or perform non-essential analytics. Purchase-related delivery emails are transactional and are not marketing subscriptions.

4. Legal Grounds and Your Choices

Where a legal basis is required, processing may rely on performance of a contract, compliance with legal obligations, legitimate interests such as security and support, or consent for optional activities. You can withdraw consent for consent-based processing at

any time without affecting prior lawful processing. You may unsubscribe from marketing using the message link or by contacting us.

5. Payment Processing and Other Recipients

CloudPayments and relevant acquiring banks, card networks, anti-fraud providers, website hosting providers, the email service used to send the PDF and transactional messages, technical contractors, and professional advisers may receive the limited personal information necessary for their services. In particular, the email-delivery provider processes the checkout email address and delivery metadata to transmit the purchased PDF. Providers may act as independent controllers or processors depending on their role. We do not intentionally sell personal information or authorize the use of customer health information for targeted advertising. Any future analytics or advertising technologies must be disclosed and configured in accordance with applicable law.

6. International Transfers

The Seller operates from the Russian Federation, while customers may be in the United States and other countries. Information may be accessed or processed across borders, including in countries with different privacy protections. Where applicable law requires safeguards or additional notices for international transfers, we will implement them before such transfers. The location and safeguards of each live service provider should be verified before publication.

7. Cookies and Similar Technologies

The Website may use cookies or similar technologies required for checkout, security, and site functionality. Optional analytics or marketing cookies, if used, should be identified in a separate cookie notice or preference interface, with consent or opt-out controls where required. Browser settings may allow you to restrict cookies, although necessary functions may be affected. This draft does not assert that any particular analytics or advertising vendor is currently installed.

8. Retention and Security

We retain order, transaction, and tax-related records for the period required by applicable law, and support and technical records only as long as reasonably necessary for their purposes. Retention periods depend on the category and applicable legal requirements. We use reasonable administrative and technical measures to protect personal information; no system is completely secure. Do not send full card numbers, passwords, or detailed medical records by email.

9. Your Privacy Rights

Depending on where you live and which laws apply to the Seller, you may have rights to request access, correction, deletion, a copy of your information, or restrictions/objections to certain processing, and to opt out of certain advertising-related disclosures. Requests can be sent to doctor.dgusev@gmail.com. We may need to verify identity and may retain records when legally required. We will not discriminate against customers for exercising applicable privacy rights. If the California Consumer Privacy Act or another state law applies to our operations, additional state-specific disclosures and mechanisms will be provided as required.

10. Health Information and Children

The guide concerns PCOS, but merely buying it does not require providing a diagnosis or health history. Please do not send sensitive medical information in support requests. If we later offer quizzes, symptom tracking, consultations, or other tools that collect health information, we will assess and disclose the additional privacy requirements before launch. The Website and product are intended for adults aged 18 or older; we do not knowingly collect information from children.

11. Updates and Contact

We may revise this Privacy Policy as our practices, service providers, or legal requirements change. Material changes will be communicated as required by law. Contact the privacy team and Seller at doctor.dgusev@gmail.com.
